Well, the old man called me to his dying bed, woah  
"There's only one thing in this world I like to see", he  
said, woah  
I tried so many times but I've never done it  
Often made the climb but never reached the summit,  
woah  
So I could look down on this pissant little town

I took one step  
(Higher, higher)  
And another step  
(Higher, higher)  
But I could not reach that mountaintop

I took one step  
(Higher, higher)  
And another step  
(Higher, higher)  
But I could not reach that mountaintop  
I couldn't reach that mountaintop

So I picked him up and put him on my back, woah  
And strapped him in just like a hiking pack, woah  
I took off, up the hill at a steady pace  
I said, " Don't die on me now, we're gonna win this race"  
woah  
So we can look down on this pissant little town

I'll take one step  
(Higher, higher)  
And another step  
(Higher, higher)  
'Til I reach that mountaintop

I'll take one step  
(Higher, higher)  
And another step  
(Higher, higher)  
'Til I reach that mountaintop  
I'm gonna reach the mountaintop

I'll take one step

(Higher, higher)  
And another step  
(Higher, higher)  
Another step  
(Higher, higher)  
One more step  
(Higher, higher)

I'll take one step  
(Higher, higher)  
Another step  
(Higher, higher)  
Another step  
(Higher, higher)  
Change your step  
(Higher, higher)

[Incomprehensible]  
(Higher, higher)  
[Incomprehensible]  
(Higher, higher)

Oh, fill me now  
(Higher, higher)  
[Incomprehensible]  
(Higher, higher)

Higher, higher  
Higher, higher  
Higher, higher  
Higher, higher

I'll take one step  
(Higher, higher)  
And another step  
(Higher, higher)  
'Til I reach that mountaintop

I'll take one step  
(Higher, higher)  
And another step  
(Higher, higher)  
'Til I reach that mountaintop

I'll take one step  
(Higher, higher)  
And another step  
(Higher, higher)  
'Til I reach that mountaintop

I'll take one step

(Higher, higher)  
And another step  
(Higher, higher)  
'Til I reach that mountaintop  
Reach that mountaintop

The mountaintop  
(Higher, higher)  
The mountaintop  
(Higher, higher)  
The mountaintop  
(Higher, higher)

The mountaintop  
(Higher, higher)  
The mountaintop
