I know a place where dreams are born  
And time is never planned  
It's not on any chart  
You must find it in your heart  
Never Never Land  
It may be miles beyond the moon  
Or right there where you stand  
Just keep an open mind  
And then suddenly you'll find  
Never Never Land  
You'll have a treasure if you stay there  
More precious far than gold  
For once you have found your way there  
You will never, never grow old  
And that's my home where dreams are born  
And time is never planned  
Just think of pleasant things  
And your heart will fly on wings, forever in  
Never Never Land
