One more day
They said we'd be home for Christmas
But I'm still here today

One more day
I went to see the first lieutenant
He said, "Shut up and wait"

One more day, no word
Ooh, one more day, no word

One more day
We don't pick no more trees
'Til the union okay

One more day
If they don't get a contract soon
Then I don't think we can stay

One more day, no word
Ooh, one more day, no word

All alone, all my friends are gone
Ears of stone, eyes gone blind
Too little to do and too much time

One more day, no word
Ooh, one more day, no word

One more day
I haven't seen my girl
In a year last July

One more day
She hasn't even written a letter
But I try not to cry

One more day, no word
Ooh, one more day, no word

All alone, all my friends are gone
Ears of stone, eyes gone blind

Too little to do and too much time

One more day, no word
Ooh, one more day, no word

Ooh, one more day, no word
Ooh, one more day, no word
Ooh, one more day, no word
