Onomatopoeia every time I see ya
My senses tell me hubba
And I just can't disagree
I get a feeling in my heart that I can't describe
It's sort of lub, dub, lub, dub
A sound in my head that I can't describe
It's sort of zoom, zip, hiccup, drip
Ding, dong, crunch, crack, bark, meow, whinnie, quack

Onomatopoeia in proximity ya
Rearrange my brain in a strange cacophony
I get a feeling somewhere that I can't describe
It's sort of uh, uh, uh, uh
A sound in my head that I can't describe
It's sort of whack, whir, wheeze, whine
Sputter, splat, squirt, scrape
Clink, clank, clunk, clatter
Crash, bang, beep, buzz
Ring, rip, roar, retch
Twang, toot, tinkle, thud
Pop, plop, plunk, pow
Snort, snuk, sniff, smack
Screech, splash, squish, squeek
Jingle, rattle, squeel, boing
Honk, hoot, hack, belch
