See that girl, watch her dance
If I knew her name, I wouldn't have to sit on my hands
If my mouth don't work, I get some help
And she don't mind if I don't keep my hands to myself

You're all right
You put up such a good clean fight
I'm afraid that you lose tonight

S L U T
She may be a slut but she looks good to me
S L U T
She may be a slut but she looks good to me

You're so clean, so refined
You don't care to get messy just to have a good time
She's got saggy thighs and baggy eyes
But she loves me in a way, I can still recognize

You're all right
You put up such a good clean fight
I'm afraid that you lose tonight

S L U T
She may be a slut but she looks good to me

I'm afraid that you lose tonight
