Let me take you down  
'Cause I going to strawberry fields  
Nothing is real and nothing to get hung about  
Strawberry fields forever

Living is easy with eyes closed  
Misunderstanding all you see  
It's getting hard to be someone but it all works out  
It doesn't matter much to me

Let me take you down  
'Cause I going to strawberry fields  
Nothing is real and nothing to get hung about  
Strawberry fields forever

No one I think is in my tree  
I mean it must be high or low  
That is the catch you know, tune in but it's all right  
That is I think it's not too bad

Let me take you down  
'Cause I going to strawberry fields  
Nothing is real and nothing to get hung about  
Strawberry fields forever

Always know sometimes think it's me  
But you know I know when it's a dream  
I think I know, I mean, oh yes, but it's all wrong  
That is I think I disagree

Let me take you down  
'Cause I going to strawberry fields  
Nothing is real and nothing to get hung about  
Strawberry fields forever  
Strawberry fields forever  
Strawberry fields forever
