Gathering in this corner
Trying to look discrete
We've been talking about this all night long
Now it's time to hit the streets

Are you ready to rumble?
Are you just gonna grumble?
You might take a tumble
But it's time to rumble

This is the reason you keep a dream alive
Spread it round the underground
The moment will soon arrive

Time to strike while the iron is hot
Strike while the iron is hot
Strike while the iron is hot
Strike while the iron is hot

No one received a message
Nobody has a plan
Everybody knows when the time is right
To take a righteous stand

Are you ready to rumble?
Are you just gonna grumble?
You might take a tumble
But it's time to rumble

You spend a lifetime waiting for a sign
Alert the press and place your bets
The planets will soon align

Time to strike while the iron is hot
Strike while the iron is hot
Strike while the iron is hot
Strike while the iron is hot

Time to strike
Strike while the iron is hot
Strike while the iron is hot
Strike while the iron is hot

Strike while the iron is hot
Strike while the iron is hot
Strike while the iron is hot
Strike while the iron is hot
