I've been wrong, I had plans so big  
But the devil's in the details  
I left out one thing no one to love me  
No one to love me, no one to love

For the want of a nail, the world was lost  
For the want of a nail, the world was lost, yeah  
World was lost, world was lost

Yeah, for the want of a nail, the shoe was lost  
For the want of a shoe, the horse was lost  
For the want of a horse, the rider was lost  
For the want of a rider, the message was lost

For the want of a nail, the world was lost  
For the want of a nail, the world was lost  
World was lost, world was lost

For the want of a rider, the message was lost  
For the want of a message, the battle was lost  
For the want of a battle, the war was lost  
For the want of a war, the kingdom was lost

For the want of a nail, the world was lost  
For the want of a nail, the world was lost  
World was lost, world was lost

I've been wrong, I had plans so big  
But the devil's in the details  
I left out one thing, no one to love me  
No one to love me, no one, no one to love me  
I said no one to love

You're askin', "What's all this talk about horses and war?"

Put yourself in the place of the man at the forge  
Day after day you live a life without love  
Til the morning you can't take it anymore and you  
don't get up

Multiply it a billion times spread it all 'round the world  
Put the curse of loneliness on every boy and every girl

Until everybody's kicking, everybody's scratching  
Everything seems to fail and it was all for the want of a  
nail

Tell me what else could the answer be, oh yeah  
Don't hold back now  
For the want of a nail, the world was lost

World was lost  
World was lost  
World was lost
