"Slutsy Topsy"

you thought you'd blow my mind
you thought you'd suck my thumb
you thought you'd be

sweet a little slutsy topsy

you thought you'd buy some beer
you thought you'd crucify me
you thought you'd be

sweet a little slutsy topsy
sweet a little slutsy topsy

you won't be alone
it's warm inside

you thought you'd take me home
you thought you'd sacrifice me
you thought you'd be

sweet a little slutsy topsy
sweet a little slutsy topsy
sweet a little slutsy topsy
sweet a little slutsy topsy

love is a special thing
