She takes a spot right at the bar
Taking shots just like a target
And she just came from pre-drinks at her
City apartment and I don't wanna waste
So let's just get this party started
We can deal with it tomorrow
Let it go, don't think about it ('bout it)
And she told me that a girl don't come cheap
I'm feeling tipsy and I ain't even wanty
The kind of girl you can make it see your dream wife
I'm seeing red so I'm waiting for the green light
I be like anything that she like
Still real 'cause I hold 'em to the dream tight
I'm goin' straight like GXD's
And I just wanna take you with me like a PSP

I think that shorty got a gun
She a killer killer killer
She got me on the run
She a killer killer killer
But she might be the one
Wait I'll wait I'll wait I'll wait her
She a killer (she a killer)
She a killer killer killer

Bang bang! Yo, she shot me dead 'cause shorty be a
killer
On the d-floor doing moves that they all practiced in a
mirror
Like a teenage party but I'm grounded, I just wanna go
Got me searching Wikipedia, 'cause I just wanna know
And you got me hooked, I ain't gonna lie
Took away my ego, swallow my pride
And here's a heart is mine, hold it
And she delight, so I'm blind folded
Crush on you, feeling like a kid again
Heels hurt so I'm giving up piggyback
Cause I'm down to the END, shoot me killer bang! TNT

I think that shorty got a gun
She a killer killer killer

She got me on the run
She a killer killer killer
But she might be the one
Wait I'll wait I'll wait I'll wait her
She a killer (she a killer)
She a killer killer killer
[x2]

Bang bang! She shot me dead, shot me dead, shot me
dead
Bang bang! Straight to the head, to the head, to the
head
[x4]

I think that shorty got a gun
She a killer killer killer
She got me on the run
She a killer killer killer
But she might be the one
Wait I'll wait I'll wait I'll wait her
She a killer (she a killer)
She a killer killer killer
[x2]
