he tried to look like he had a little bit of money  
a grifter with a southern drawl  
well i could tell right away by the the way he was  
looking  
that this boy was not begging to crawl  
at least a junkie knows what he needs  
he'll get a man all strung out on green  
he'll give up everything he's got for just one shot of  
having it all

he took every cent of his savings  
on a trip to the local track  
he got a tip from a friend bet it all down to win  
on a horse named heart attack  
well now he ain't no fool boys he didn't bet it all  
so everything was cool when that horse took a fall  
but then he turned around and throwed the rest  
trying to win it all back

#### COURUS

he wants that easy money  
it's sad but it's true  
everybody wants the most they can possibly get  
for the least they could possibly do  
they want that easy money  
i don't understand  
if you sceem and you plan you can't get your hands  
on no easy money

now she's been watching him from the table  
not to soft but not tough  
she figured by the money he'd been throwing around  
that he was damned shure good looking enough  
so she made her way over she shout him a wink  
he took his last five bucks and bought her a drink  
by the time they hit the motel six  
they figured they were in love love love love

#### CHOURUS

she loved that easy money...

now it must have been about two weeks later

he get a call from a business friend  
who got a shure fire steel of investment deal  
and honey guess what he's gonna let both of us in  
so they took all of their savings out of the bank  
and on the way home they stopped to gas up the tank  
she stepped in for some ciggs and she never saw that  
fucker again

CHOURUS

he got that easy money...
