I don't ever wanna go back home again  
I don't ever wanna let this summer end

You and me we got a lot in common  
We keep thinkin' there's this place to go  
You ask me I say we oughta keep drivin'  
But turn up that radio

Let's stay out all night  
Again tonight  
Stay out all night  
Again tonight

I don't ever wanna have to go to work for my dad  
I guess that's about the only goal I've ever had

I got this feeling that my stepmom hates me  
That gold digger's got a worthless bone  
She stays drunk on rum and Pepsi, yeah  
She'll never notice if I'm not home

Out all night  
Again tonight  
Stay out all night  
Again tonight

We don't have to answer to  
Anyone that we don't want to  
And we can do anything, yeah  
Yeah, we can do anything

You and me, we got a lot in common  
We keep thinkin' there's a place to go  
You ask me, I say we oughta keep drivin'  
Hey, turn up the radio

Stay out all night  
Again tonight  
Stay out all night  
Again tonight

Stay out all night

Again tonight  
Let's stay out all night  
Stay out all night

We can do anything, anything, anything  
I don't ever wanna go back home again
