I try not to live my life in sin  
My time is my castle, I'm the king

But, still I believe in freedom  
'cause there's a rhyme to every reason

I'm only Human  
I'm just a man  
(I'm just a man)  
I'm only Human  
I do the best I can

I've got a restless heart & soul  
My mind is too curious too hold

But, I need the space around me  
Thou' I need the love to surround me

I'm only Human  
I'm just a man  
(I'm just a man)  
I'm only Human  
I do the best I can

I do need the space around me  
Thou' I need the love to surround me

I'm only Human  
I'm just a man  
(I'm just a man)  
I'm only Human  
Try to understand  
Try to understand  
Try to understand  
I'm only....  
I do the best I can  
(I'm just a man)
