Yeah, TVXQ
My Hero, my Max, my U-Know, my Xiah and Micky
We're the one, eternally~

Everytime I see your smile on the pictures

My Heart can't imagine how it wants, it's supposed to
feel
I'm singing (it's my voice)
All your hugs and kisses, Love
Again we can go back to our good old days

All I do is reminisce this time
Today it was you and I
Darling I know you can give me no more
Every line you wrote, the smile
Time to move on

Never cry. Never ever hide of myself prime
Mirai wa kitto warau
Sonomama no kimi de ite with me
Baby Sky All in the dreams and hopes made of your
eyes
Ashita mo kitto hareru
Sonomama no kimi de ite with me

Never cry. Never ever hide of myself prime
Mirai wa kitto warau
Sonomama no kimi de ite with me
Baby Sky All in the dreams and hopes made of your
eyes
Ashita mo kitto hareru
Sonomama no kimi de ite with me

You're the Love of my Life~

Baby Sky All in the dreams and hopes made of your
eyes
Ashita mo kitto hareru
sonomama no kimi de ite with me
