Watashi ga kamome ni umarete kitara  
Koi nado shinaide ikitemo yukeru  
Minatonya sabishii otoko to onna  
Bonyari umi o mitsumeteru  
Dyuugo de dakarete dyuuku de naite  
Sono sakya omboro nen nen korori  
Watashi ga kamome ni umarete kitara

Watashi ga kamome ni umarete kitara  
Yume nado marumete sora kara suteru  
Ikiterya setsunai kinou mo assu mo  
Omoide fune ga nami no eu  
Honki de horetemo dyoozu ni furare  
Tsuide ni omboro nen nen korori

Namida ga kirai de namida ga suki de  
Ashita mo omboro nen nen korori
