[Chorus]

My name is KJ aka KJ Five Two  
My name is KJ it is so nice to meet you  
[2x]

[KJ-52]

My name is KJ Five Two, brown hair, eyes of blue  
200 pounds clockin in at 6 foot 2  
You can catch me watchin Veggie Tales spinnin  
Mountain Dew  
Spendin too much money at the mall and Gadzooks  
Now I'm rollin through McDonalds and I'm gettin a  
number 2  
But I know they gonna act rude and mess up my food  
Here's your cheeseburger and your coke too  
Ha ha thanks a lot but where's my fries fool  
I tried to grow a mullet way back in high school  
I was like "now everybody is gonna think that I'm cool"  
And the girls are gonna say I'm cuter then Tom Cruise  
But instead they laughed like the SpongeBob dude  
Lookin back I dont know jus how I made it through  
But ya live and learn, that's jus what you go through  
Cause know everybody is like KJ rocks dude  
My name is KJ... everybody stayed tuned

[Chorus]

[KJ-52]

My name is KJ-Five Two, now ya'll be messin up my  
name  
Its not fifty-two and it doesnt stand for King James  
I waited too long now, so let me explain  
John 6:9 let me break it down plain  
Five loaves, two fishes is what a Boy gave  
So I took what I had and jus did the same  
Put all I had in His hands and jus walked away  
I said Lord it all yours you can have the whole thing  
I know what I bring it might sound a little strange  
But I'm not in it jus for the money or the fame  
And I'm still jus the same aint nothin ever changed  
I still drive a mini van and naw I aint the shame

Spinnin Lipton Ice Tea dippin switchin lanes  
Like an insane soccer mom about to hit the game  
Yellin at lame drivers savin "get out the way"  
My name is KJ, ya'll know the name

[Chorus]
