[KJ-52]

Oh no he's back again  
What ya know, here I go and I'm rappin and  
In the studio, in the lab again  
One mic one flow one pad and pen  
One show lets roll lets pack 'em in  
Ya'll know when we comin in  
We blow every mind when we tellin them  
And choose every rhyme that we sendin them  
So folks recognize to be born again  
And realize he died so you can live again  
All right lets ride start bouncin then  
We can go all night it dont have to end  
Hey Todd we started man  
So get 'em high holla back if ya here me then

[Chorus]

Here we go like whoop whoop

[4x]

[KJ-52]

Now everybody from front to back  
If ya just cant get enough of that  
And ya feel it bump and ya lovin that  
Then get 'em up torn it up and jus bump the track  
Cause thats the way that we runnin that  
Jus for you every time jus a ton a that  
Understand thats why when we bust a track  
Every time any line any kind of rap  
I'm a kind of guy jus the type of cat  
Ya gonna find every rhyme one kind of fact  
That its jus Christ nothin less then that  
And jus everytime I'll be runnin that  
And so thats why I'm always bumpin that  
So get first real high and start pumpin that

[Chorus]

[2x]
