When I think back on the times we've spent together.  
It makes me want to be with you forever.  
But now that's gone, and I don't know what to do  
without your hand.  
I guess I'll have to learn how to go on without you.  
Alone I stand.

I've made up my mind, and this is it.  
I've decided to call it quits.  
I guess that'll get by, unhappily ever after.  
All we've been through means no more to you.  
I never thought letting go would be so hard to do.  
Forget about me, so what will make you see the  
saddest part  
Is that thought it all you remained happy.

But although I'll try to make myself believe that in the  
end  
You'll be just out of my reach. In the back of my mind,  
I hope you'll find another reason for it  
To happen just once more, just one more time.

I've made up my mind, and this is it.  
I've decided to call it quits.  
I guess that'll get by, unhappily ever after.

Try to find it in your heart.  
We can make a brand new start.  
Try to find it in your heart.  
We can make a brand new start.

All we've been through means no more to you.  
I never thought letting go would be so hard to do.  
Forget about me, so what will make you see the  
saddest part  
Is that thought it all you remained happy.

All we've been through means no more to you.  
I never thought letting go would be so hard to do.  
Forget about me, so what will make you see the  
saddest part

Is that thought it all you remained happy.
