What binds me here?
What binds you there?
The only days i count
Are the ones until i see you
The next time
(?)

Look how they do it
(i want to do it just the same)
How do they do it?
(i want to do it just the same)
How can we do it?
(i want to do it just the same)
When the only thing i want to do
Is tie a knot on this

When will i find you?
A way back into my arms
How long will you reach out
For me before your arms get tired?
Don't let go

Is there nothing we can do
For this tension
Yeah, this pulling
Is this beyond our control?
What's the difference
(why can't you understand?)
With three nine hundred miles
(right next to me)

Don't let go
