This song is for everyone that said i was  
programmed, part wired, that i'd self-destruct  
They'd say i was destined to always be desperate  
say i was destined to always fuck up  
and i was voted the first one crumble and break  
I'd never have a chance the biggest waste  
But now i'm the one whos laughing last  
Because you're the one who keeps looking back  
you're the one thats faded away  
But i say this song is for everyone that said i was  
programmed, part wired, that i's self-destruct  
they'd say i was destined to always be desperate  
say i was destined to always fuck up  
and i was voted the first one to crumble and break  
I'd never have a chance the biggest watse  
but now i'm the one whos laughing last  
because you're the one who keeps looking back  
you'e the one thats faded away  
faded away  
faded away!
