"Blindsided"

Isn't it funny that it all comes down to money

Running on a treadmill, wasting time

Keeps you too busy to lose your mind

I was blindsided out on the street

The tension was so thick I could hardly even breathe

And I don't like the way things are going down

I don't like the way things are going down,

That's all, it's all

It's enough to knock me down

Man I was blindsided when a guy walked right past

Calls for help from this guy under the overpass

So I guess it's the "problem will go away if I block it out"

It's all enough to knock me down
