Just two good old boys, never meaning no harm
Beats all you never saw, been in trouble with the law
Since the day they was born
Straightening the curves, flattening the hills
Well someday the mountain might get 'em but the law
never will
Making their way, the only way they know how
That's just a little bit more than the law will allow
Just two good ol' boys, wouldn't change if they could
They're fighting the system like two modern-day Robin
Hoods
