Woo!

Blasting our way through the boundaries of Hell

no one can stop us tonight

we take on the world with the hatred inside

mayhem the reason we fight

Surviving the slaughters and killing we've lost

then we return from the dead

attacking once more now with twice as much strength

we conquer then move on ahead

Chorus:

(Evil) My words defy

(Evil) has no disguise

(Evil) will take your soul

(Evil) my wrath unfolds

Satan our master in evil mayhem

he guides us with every first step

our axes are growing with power and fury

soon there'll be nothingness left

Midnight has come and the leather's strapped on

evil is at our command

we clash with God's angel and conquer new souls

consuming all that we can

(Chorus)
