Now if you want somethin' that's good and hot

just eat a hamburger it'll hit the spot

you can see 'em on the griddle

goin' flippety flop

makes you wanna do the boogie

to the hamburger hop

They're open up 24 hours a day

just waitin' and hopin'

all the folks would say

put a burger on the griddle

do a flippety flop

put an onion in the middle

and a pickle on top

There just ain't nothin' finer, no

nothin's quite so new

? the seasoning ?

like the burger's always do

You really should go

because it's ?

everybody's goin' to the hamburger stand

and they put 'em on the griddle

do the flippety flop

everybody does the boogie

to the hamburger hop
