"Happyman"

Happyman smiles almost every single day

Too numb to notice that he's walking in a haze

He's put himself here and doesn't know what to do

No, he doesn't know what to do.

I say you say, you say it's work,

Say it's work all day,yeah, yeah, yeah.

Choked by the clock and everything they put him
through,

They put him here and he doesn't know what to do,

He doesn't know what to do, no, no, no.

I say you say, you say it's work,

Say it's work all day

Happyman is mad at the world, oh,

Mad at the world, oh, yeah!
