This is the modern world

This is the modern world

What kind of fool do you think I am?

To think I know nothing but the modern world

All my life is spent outside

I will turn my head and leave

Is my inspiration dry?

I'll know more than you'll ever know

Even at school I felt quite sure

And one day I'll be on top

And I'd look down upon the map

And teachers said I don't mean a thing

This is the modern world

That I look about

This is the modern world

We don't need no one to tell us what's right or wrong

Say what you would like

'cause I don't care

I know what I am and what to do

Somewhere I will see you

Don't have to explain myself to you

Don't give two f***s about you

This is the modern world

That I look about

This is the modern world

We don't need no one to tell us what's right or wrong

Well this is...

Yeah we don't need no one

what's right or wrong

Wrong

This is the modern world

This is the modern world
