English translation

Who's that? Who's that? Who's that? The shadow  
dancing high in the sky  
With white wings, it's Gatchaman  
When you risk your life and fly out  
That's the Science Ninja Skill Firebird\*Fly! Fly, fly,  
Gatchaman!  
Go! Go, go, Gatchaman!  
There's only one Earth, there's only one Earth  
Oh, Gatchaman, GatchamanWho's that?  
Who's that? Who's that? The shadow lurking in the hell  
of the sea  
With powerful courage, it's Gatchaman  
When you rend the storm and tear through the clouds  
That's the Science Ninja Skill Firebird  
\*repeatWho's that? Who's that?  
Who's that? The shadow hiding in a valley of buildings  
With fiery red blood, it's Gatchaman  
When you bask in the sunset and run out  
That's the Science Ninja Skill Firebird  
\*repeat
