What it is nephew ya know
Yea, touchdown on this suckas man
From all angles of the game and let these fools know
We ridin, we mobbing, we hogging, we dogging, we
flossing and balling
So what it iz

[Daz Dillinger Chorus 2x]

What it iz, I thought we was down to end
My best of friends try to mash me and do me again
What it iz, I thought we was down to end
What it iz

[Daz Dillinger]

Forever coping cash, be on the mash with my business
Honest ticking yall niggas, niggas cross me got me
acting shity
Real niggas is all that I keep
Keep watching the street making it happen with the rap
and the beat
This the game and we bang on other gangs
That Don't play when we claim, so we knocks them out
the frame
What a shame it is, cant be levels, cant be friends
Homies be acting funny we am swerve and an grin
But aint no thang do you in
Grew up as an kid giving all I can give with one life to
live
But with the Sean John give me con
From growing off of murder of mother fuckers, Bounty
it's on
You know what time it is, drooping these rhymes again
Anyway it goes you niggas cant see my flow

[Daz Dillinger Chorus 2x]

[Daz Dillinger]

Why does niggas want to act funny with the money
We used to be down back in the day
Why does niggas want to act funny with the money
We used to be down back in the day

[Daz Dillinger]

Pulling and punching giving it up for nothing

Only in it for something if it aint cheese fucking, Roll up

[Daz Dillinger]

Now my last verse

Showing up an few women

Im coming up and get bombed rushed

For running up Long Beach

Have you forgot where you from

Eastside of Long Beach represent 21

Blowing smoke in your face

Roll up an joint or bong

To set let your mother fucking ass to get out an song

Its strong to be weak, Watch out when I creep

And I land in yo ass to knock you out your feet

That pimp shit to impress me or faze me

All I fuck different yall and yall don't pay me

Simple as I can say I can say Fuck Yall
