Don't bother giving me your best apology but give your  
father and mother  
All the best from me.  
This move will be good news for them, so they deserve  
to know.  
Mrs. M will tell her friends that her daughter's come  
back home.

And if you wanna go then say goodbye to me, I won't  
stop  
You from chasing trouble down the street. I won't say I  
told you  
To go, then say goodbye to me, I won't stop you from  
chasing trouble down the street.

If it's over then why do we still mess around, is he just a  
shoulder for you to cry  
On when I'm out of town. It's a novel thing to think that  
this could be the bitter end  
To this awfully late excuse for what they like to call  
romance

And if you wanna go then say goodbye to me, I won't  
stop  
You from chasing trouble down the street. I won't say I  
told you  
To go, then say goodbye to me, I won't stop you from  
chasing trouble down the street.

I won't say I told you so, no, cause I'm much better than  
that.  
And of all the others I'm as good as it gets, I shouldn't  
have given  
You the chance to make a fool of me again, but then  
again I wasn't figuring  
I'd be so glad to see you go, then say goodbye to me,  
I won't stop you from chasing trouble down the street.

I won't say I told you to go, then say goodbye to me,  
I won't stop you from chasing trouble down the street.  
[x2]  
I won't say I told you.
