Alright, oh yeah

There is a war inside
Between my spirit and mind
I sit here wondering
"Why oh why?"

I find myself confused
Emotions on the loose
I know what's right
But it's often the wrong I choose

Shoulda done it Your way, but just like a child
I'm losing my direction, I need You to guide me
Turn me into someone that's faithful and true
Give me the strength to live my life for You

Tell me why I do what I don't wanna do
And I don't do what I wanna do
Tell me why I do what I don't wanna do

I live a double life
Sometimes I compromise
I feel ashamed of the way
My heart looks inside

And though I long to obey
Sometimes I drift away
And take for granted
Your never-ending grace

Help me to remember Your love for me
Take me to the river, wash me in Your mercy
You're the Father of forgiveness, time after time
But still there's something messing with my mind

Tell me why I do what I don't wanna do
And I don't do what I wanna do
Tell me why I do what I don't wanna do

Tell me why I do what I don't wanna do
Do what You don't want me to

Tell me why I do what I don't wanna do

Only through You
I can do all things that should strengthen me
Only through You
I can do all things that should strengthen me

Only through You
I can do all things that should strengthen me
Only through You
I can do

Tell me why I do what I don't wanna do
And I don't do what I wanna do
Tell me why I do what I don't wanna do

Tell me why I do what I don't wanna do
Do what You don't want me to
Tell me why I do what I don't wanna do
Do what I don't wanna do
Tell me why I do what I don't wanna do
