I've done all I can to please you  
But I can't wipe away that frown  
I'm letting go, that's how much I love you  
It's in God's hands now

I gave you my heart, forever  
And I will keep that solemn vow  
But I can't put us back together, no  
It's in God's hands now

Lord knows, I've cried and cried  
'Cause I don't want to lose you  
Oh, I tried, yes, I tried  
But if I'm not the one who moves you  
I won't hold you down, no, no

My head is in a cloud of sorrow  
But my feet are on the ground  
There's hope for us, as long as there's tomorrow  
It's in God's hands now

Lord knows, I've cried and cried  
'Cause I don't want to lose you  
Oh, I tried, yes, I tried  
But if I'm not the one who moves you  
I won't hold you down, no

We're in God's hands now  
We're in God's hands now
