For the sake of the call
I am laying down my all
No turning back
Moving straight ahead
I'm on the right track
And it's all for the sake of the call

It was on a day like no other
Seeking Your face when I discovered
My life was no longer my own, but Yours
But then I heard you say "Go and tell them
To open Your heart
Let me in and I will supply Your every need?"

Then I cried, "Lord, I don't know if I can do it?
"You will find your strength in me, only believe?"
Then I said, "What if I fail? I just couldn't take it?"
He said, "I have given you My ability?"

For the sake of the call
I am laying down my all
No turning back
Moving straight ahead
I'm on the right track
And it's all for the sake of the call

Sister, let me encourage your heart
Brother, leave doubt behind, stay your part
You know that He's with you, yes, He's there all the
time
Oh yes, He is, oh yeah
You may feel like you can't go on any longer
Though you are weak, remember He's stronger
Through Him you can do most anything

You might cry "Lord I don't know if I can do it?"
You will find your strength in Him only believe
You might say, "What if I fail? I just couldn't take it?"
He has given you the ability

For the sake of the call
Do you lay down your all

No turning back
Moving straight ahead
Stay on the right track
And risk all for the sake of the call

Daily I press toward the mark for the prize
Of the high calling of God, in Jesus our Lord

For the sake of the call
I am laying down my all
No turning back
Moving straight ahead
I'm on the right track
And it's all for the sake of the call

He's calling you and He's calling me
Do you lay down your all
No turning back
Moving straight ahead
Stay on the right track
And risk all for the sake of the call
