The Word was made flesh, and He dwelt among us
And we beheld His glory
The glory of the only begotten of the Father
Full of grace and truth

He was the light that gave light to all men
And He came to the world that was created by Him
He came to His own and they received Him not

They would have believe Him if they only knew
That He was the Son full of grace and turth

He came in a body, He was the Word of the Lord
He was alive int he spirit, descended from David's
throne
He came down and He was seen by the angels
O great Lion of Judah
Jesus Messiah, He showed us His glory
King of Kings, Lord of Lords
Was preached to the nations, Beloved of Jehovah

But we didn't know who He was
