I can tie my shoes  
I can match my clothes  
I can fix my hair  
And put in my bows  
But when it's dark at night  
And dreams leave me scared  
Daddy I need you to tuck me in tight

'Cause when you wrap your arms around me  
I feel peace and love  
And though I'm a big girl now  
I need a hug from you each night  
When I go to sleep,  
I see the stars up in the sky  
And I just want you to know  
Daddy I love you

Daddy I can't wait  
Until I'm old enough to drive  
I'll take you for a ride  
And we'll go grab a bite  
But when I come home late sometimes  
And see you waiting up for me  
You're there to listen, and help me patiently

You're always praying,  
Dear Lord, keep her safe tonight  
So I thank you daddy,  
For a hug from you each night  
When I go to sleep,  
I see the stars up in the sky  
And I just want you to know  
Daddy I love you

Daddy you say, you say that someday I will fly the coup  
You've shown me how to love and laugh  
And be strong and brave and true  
So I know when it's time to be on my own,  
I'll be a lot like you

And I'll pray Dear Lord, please bless Daddy

Let him know I'm thankful  
For the love he has for me  
When I go to sleep, I see the stars up in the sky  
And I just want you to know  
Daddy I love you  
I love you...

I love you, Daddy.
