Our love has changed, It's not the same, And the only way to say it â€" Is say it â€" It's better.

I can't concede, This way I feel, For all the time we spent, together, Forever  $\hat{A} \notin \hat{A} \in \mathbb{Z}$  Just gets better.

See what I'm trying to say is: You make things - better And no matter what the day is, With you here - it's better.

I'll stand by you,
If you stand by me.
I think time that I, reveal it,
'Cos I believe it It's better.

See what I'm trying to say is: You make things - better And no matter what the day is, With you here - it's better.

Ooooh the more  $\tilde{A} \not c \hat{A} \in \mathbb{I}$  I  $\tilde{A} \not c \hat{A} \in \mathbb{I}$  to  $\tilde{A} \not c \hat{A} \in \mathbb{I}$  you The more in love with Ev  $\tilde{A} \not c \hat{A} \in \mathbb{I}$  ry  $\tilde{A} \not c \hat{A} \in \mathbb{I}$  thing  $\tilde{A} \not c \hat{A} \in \mathbb{I}$  you  $\tilde{A} \not c \hat{A} \in \mathbb{I}$  do

Doo doo doo doo doo (hum chorus)

See what I'm trying to say is: You make things - better And no matter what the day is, With you here - it's better.
