This one's for all you girls about thirteen  
High school can be so rough, can be so mean  
Hold onto, on to your innocence  
Stand your ground when everyone's giving in

This one's for the girls

This is for all you girls about twenty-five  
In a little apartment, just trying to get by  
Living on, on dreams and spaghetti-o's  
Wondering where you life is gonna go

This one's for the girls  
Who've ever had a broken heart  
Who've wished upon a shooting star  
You're beautiful the way you are  
This one's for the girls  
Who love without holding back  
Who dream with everything they have  
All around the world  
This one's for the girls

This is for all you girls about forty-two  
Tossing pennies into the Fountain of Youth  
Every laugh, laugh line on your face  
Made you who you are today

This one's for the girls  
Who've ever had a broken heart  
Who've wished upon a shooting star  
You're beautiful the way you are  
This one's for the girls  
Who love without holding back  
Who dream with everything they have  
All around the world  
This one's for the girls

Yeah, we're all the same inside (same inside)  
>From 1 to 99

This one's for the girls

Who've ever had a broken heart  
Who've wished upon a shooting star  
You're beautiful the way you are  
This one's for the girls  
Who love without holding back  
Who dream with everything they have  
All around the world  
This one's for the girls  
Yeah, this one's for the girls
