The shelter has given dawn to the light  
Wind walker has taken the after sight

Aloof in the snow on a cloudy day  
Lost in the woods and there's nothing left to say  
A spirit is seen in the the frozen sun  
Human condition has become undone

Away with the mind of an acid child  
Reveal the secrets of Atlantian age  
The journey is taken through the arcane sea  
The medicine man holds the key

A prince of earth choice dealt a pawn  
His fathers blood must spill beyond  
To salvage a race for a greater good  
A throne usurped by the blades black hood

Release the guillotine and face the fronzen sun  
The gods have passed decree to let the souls live on

Release the guillotine facing the fronzen sun  
The gods have passed decree to let the souls live on

The hand of fate unmoved by deed  
A god of judgment less appeased  
The tide of earth brings the greater doom  
A civilised age an ocean tomb

The shelter has given dawn to light  
Wind walker takes the after sight
