The radio plays our favorite song it's what keeps me
holding on
Baby do you miss me now that I'm gone
The DJ'll play our favorite song it's what keeps me
holding on
Baby do you miss me now that I'm gone
Do you miss me

I remember the day that you told me you wanted to
find another man
Now I hear you cry every time we play Arizona Stand
Now I'm standing here with 50 of my friends and a keg
of Killians
And you're at home with your Ani Difranco tapes again

The radio plays our favorite song it's what keeps me
holding on
Baby do you miss me now that I'm gone
The DJ'll play our favorite song it's what keeps me
holding on
Baby do you miss me now that I'm gone
Do you miss me

It's half past ten, no sign of cops the barrels going
strong
Three more beers I'm sure'll make me feel like I belong
And everyone here reminds there's no point in going
home
And everything there reminds me that I'm still alone

The radio plays our favorite song it's what keeps me
holding on
Baby do you miss me now that I'm gone
The DJ'll play our favorite song it's what keeps me
holding on
Baby do you miss me now that I'm gone
Do you miss me

You got your secrets reasons why you said it's over
That was my ticket to never again be really sober
I'm so divided holding on while cursing you

But unlike you right now I got nothing to prove

The radio plays our favorite song it's what keeps me
holding on

Baby do you miss me now that I'm gone

The DJ'll play our favorite song it's what keeps me
holding on

Baby do you miss me now that I'm gone
