(Chorus)

Dont you ever leave
Dont you ever go away
I love you, I love you
Im beggin' you dont you leave
Im beggin' you dont you go
You've got my heart, You've got my heart, You've got
my heart

I know I F***ed up, I know I F***ed, I know I F***ed up
yeah
Baby i need you, baby I need you, baby I need you yeah

(Kalenna)

I neva meant to hurt you with this s***
I cant blame you for not lookin in my eyes
But if you lay here right beside me and let me hold
ya and maybe you will see
I jus wanna love you more then you can hate me
and if you say you hate me thats how much you need
me
I'll stop drinkin if you promise not to leave
Wont be no good if you dont stay right here

(Chorus)

Dont you ever leave
Dont you ever go away
I love you, I love you
Im beggin' you dont you leave
Im beggin' you dont you go
You've got my heart, You've got my heart,
You've got my heart, You've got my heart
