baby, baby, you drive me crazy, i'm so stuck on you
you're so tasty, sweeter bitter baby, god i wanna
kidnap you
uhu, i wanna make you mine,
i got so much time and get through to you!
cause i want you, take me, save me..
heal my heart with you
no more teasing.. can't believe it,
all i need is you!
..the kind of girl that you'd be dreaming,
loving and waiting for!

chorus:
nobody, nobody
nobody will ever compare to you!
oh, love me
like the way you do!
i need you,
see you got me!
don't you ever break my heart!

oh, baby, baby i can't believe you opened up my heart,
love is.. with emotion, so glad that is you!
i gotta take you home and meet my mom and pops
i wanna tell 'em, about you
words can't not explain ,
no one knows the truth!
,baby i love you!
uhu, i wanna make you mine,
i got so much time and get through to you!

chorus: (x2)
nobody, nobody
nobody will ever compare to you!
oh, love me
like the way you do!
i need you,
see you got me!
don't you ever break my heart!
nobody, nobody
nobody will love me!
