you're loving me my baby
you know i love you baby
(you're drive me insane
and you know i love you)
you're loving me my baby, you know
you're drive me insane
and you know i want you though.
take my heart and leave it in the cold,
cold, cold, cold
let me chase her in the rainbow
.. last flow
wings grow
you i don't know
which way to turn, i'm scared to touch,
i'm praying my ...
i love you so, i can't let go, i love you so.
chorus:
drive me insane , (your love) you know i need you (keep
me going down)
drive me insane and you know i need you (and i can't
take to slowing down)
drive me insane and you know i need you
drive me insane and you know i need you (and i can't
take to slowing down).

you're my recall
i'm feeling every breath you're taking slow
slow, slow, slow
you're about the time to let go, go-o-oh
couldn't have my heart to show
wings grow and now i can fly
walking is too low
thought that i try
you get too close
i love you so, you can't let go, i love you so.
[chorus]hope i like ..you now, like a ..take a ..right now
and i know ... your love
all for your love, all for your love,
walking is too low
thought that i try
you get too close

i love you so, you can't let go, i love you so.
[chorus]you're my recall (repeats)
