Better ask them boys, I do it to em every time  
I shine grind, bling blind  
Lucky came up, and got paid off rhymes  
I shine grind, bling blind  
And I'm down in H-Town, I ain't hard to find

[Lucky]

Well you already know what time it is, cause it's your

Lucky caught the game slipping, now I'm fin's to take it

Ain't no competition out here for me, so Lucky getting

And I ain't never hating I'm celebrating, while sipping  
on some of that Bubbly  
Carlos told me Lucky man, it's time you get your shine  
on  
Here's ten thousand dollas, and a contract for you to  
sign on  
I said hold up, man you know them boys been hating

He said after you drop this album here, they ain't gon  
be able to say shit  
I said oh yeah you sho' right, you know I keep that flow  
tight  
You know I got that do' right, it's Dopehouse that's fo'

Them underground c.d.'s, got me just flipping an  
Escalade  
It's 2000 and 4 shit, that balling out of control shit  
That Cadillac do' slamming, I pimp slap a hoe shit  
My name Lucky, and I'm getting the paper

I might not be nothing to you, but I'm shit on this label

[Hook]

[Lucky]

Well you can tell, that I've been on the grind

The way, that my damn wheels shine

Lucky do this all the time, and that's why I'ma bling and  
blind

Bling and blind in your face, when I step up in the place

I be thoed in creased clothes, and a Gucci belt around  
my waist

Came a long way, but finally I done made it-acapo
