One, two, three...

You know and I know
We've come a long way,
And you go where I go --
Or so I thought so before
This little ship hit the shore.

If you will, then I will.
Uncross your fingers.
Honest, I promise.
Tie your tooth to the door;
It won't hurt anymore.

Will we fall,
Or will we fly? (will we fly?)
Somebody save me (Somebody save me)
And wave me (And wave me)
Goodbye. (Goodbye.)

You are the sting in my tail.
You are the ringing in my ear.
You are the string to my
birthday balloon,
And I went and let myself down.

For now and forever, (Oooo-)
I love you truly. (ooooh)
Trust me: (Oooo-ooooh)
I am a doctor of sorts. (Oooo-ooooh)
You've really been in the wars. (Oooo-ooh...)

Will we fall, (Oooo-ooooh)
Or will we fly? (Oooo-ooooh)
Somebody save me (Oo-ooh)
And wave me (Oo-ooh)
Goodbye. (Oooo-ooooh...)

I cross my heart and I hope to die --
I swear on my best friend's life --
You are the string to my
birthday balloon,

And I went and let myself down.

(You are the sting in my tail.)
(You are the ringing in my ears.)
(You are the singer.)
(You are the song.)
(You are the spring that keeps me)
You are the string... (ticking along.)

(You are the sting in my tail.)
The sting in my
tail... (You are the ringing in my ears.)
The ringing in my
ears.... (You are the singer.)
(You are the song.)
Bye.... (You are the spring that keeps me)
(ticking along.)

You are the love of my little life!
I am a dancer in the waves!
I am the sunshine!
I am the moon!
I am a bear in a cage!

You are the sting in my tail.
You are the ringing in my ear. (You are the ringing in
my ears.)
(You are the singer.)
(You are the song.)
You are...
(You are the spring that keeps me)
(ticking along.)

(You are the sting in my)
You are the sting... (tail.)
(You are the ringing in my ears.)
The ringing in my
ears... (You are the singer.)
(You are the song.)
You are
(You are the spring that keeps)
the spring that keeps me ticking along... (me ticking
along.)

(You are the sting in my) ((How))
(tail.) ((In this life))
(You are the ringing in my)
(ears.) ([[??]])
