Well, we walk together
In uncertain weather
On the Rannerdale,
Where the battle scars
Run deep and wide,
Though you'd never know:
They're overgrown.
Made it to the top,
But the wind picked up --
Nearly blew us off!
We were running scared,
With adrenaline
Screaming in our ears.

But I was only frightened
'Cause you were on my back;
I had really nothing to fear.
What an unenlightened
Choice not to turn back
On Rannerdale Knotts...
Rannerdale Knotts!

Where you learned your lesson...
You learned your lesson,
Not to mountaineer
Unprepared...
And we made it back
To the slate mine
Hut Honister Pass...
Honister Pass,
Back to the mill
By the Derwent Water.
It reminds me of...
Reminds me of
Those summer days
That we used to love;
But we grew apart.

But I was only frightened
'Cause you were on my back;
I had really nothing to fear.
What an unenlightened

Choice not to turn back
On Rannerdale Knotts...
Rannerdale Knotts...

On Rannerdale Knotts...
Rannerdale Knotts...
Rannerdale Knotts!

I've done nothing wrong
Except love you
Too much.
Can you love someone too much?

I've done nothing wrong (I've done nothing wrong)
Except love you (Except love you)
Too much. (Too much.)
Can you love someone too much? (Can you love
someone too much?)

I've done nothing wrong (I've done nothing wrong)
Except love you (Except love you)
Too much. (Too much.)
Can you love someone too much? (Can you love
someone too much?)

I've done nothing wrong (I've done nothing wrong)
Except love you (Except love you)
Too much. (Too much.)
Can you love someone too much? (Can you love
someone too much?)

I've done nothing wrong (I've done nothing wrong)
Except love you (Except love you)
Too much. (Too much.)
Can you love someone too much? (Can you love
someone too much?)

When woe betides you, (When woe betides you,)
You will be fine. (You will be fine.)
I'll come and find you, (I'll come and find you,)
Time and time again. (Time and time again.)
To be beside you, (To be beside you,)
I'll take your hand. (I'll take your hand.)
I won't defy you, (I won't defy you,)
On my honor... (On my honor...)
On my honor... (On my honor...)
On my honor. (On my honor.)
