Who who-o, who who-o? (Who who-o, who who-o?)
Who who-o, who who-o? (Who who-o, who who-o?)

Can we leave her alone?
It's over, done with. (It's over, done with.)
Find it hard to resist
The madness? It leads us (The madness?)
to nowhere good.

You can try to explain.
The price of fame
Is a pound of your flesh, (Is a pound of your flesh,)
Not a penny less. (Not a penny less.)

Well, I wanna know
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?
Oh...

You can try to explain.
The price of fame
Is a pound of your flesh, (Is a pound of your flesh,)
Not a penny less. (Not a penny less.)

Well, I wanna know
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?

Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers

Your obsessions
Are based on?
They're like your possessions
That you can't place your hands on.
So why give in to temptation? (So why give in to

temptation?)
It's only gonna go (go)
Up in flames next season (Up in flames next season)
With the best in show... (show...)
In show...
(If you want it, you can have it.)
In show.

Can we leave her alone?
It's over. (It's over, done with.)

I wanna know
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?

Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?
Who who-o, who who-o, (Who who-o, who who-o,)
Who are these strangers you think you know?

Who who-o, who who-o? (who who-o?)
Who who-o, who who-o?
Who who-o, who who-o?
