One, two, three...

Open your eyes,  
And you might see  
In a different light than before.  
If you don't try,  
You'll remember  
Me as I was. (Me as I was.)

I let the past stay in the past, (Ooooooooooooooooooh)  
All full of scars and tears and ropeburns. (Oo-  
oooooooooooooooooh)  
And you will belong. (And you will belong.)  
And you will be strong. (And you will be strong.)

I'm just so tired of it all! (I'm just so tired of it all.)  
Sometimes you grow; sometimes you fall. (Sometimes  
you grow, sometimes you fall.)  
Stop taking the world on your shoulders. (Stop taking  
the world on your shoulders.)  
Stop taking the world on... (Stop taking the world on...)  
Taking the world on. (Taking the world on.)

Thinking back,  
I'm glad it's over.  
And regrets?  
Sure, I've had a few.  
If you bleed,  
You bleed all over  
The page that never turned.

I let the past stay in the past, (Ooooooooooooooooooh)  
All full of scars and tears and ropeburns. (Oo-  
oooooooooooooooooh)  
And you will belong. (And you will belong.)  
And you will be strong. (And you will be strong.)

I'm just so tired of it all! (I'm just so tired of it all.)  
Sometimes you grow; sometimes you fall. (Sometimes  
you grow, sometimes you fall.)  
Stop taking the world on your shoulders. (Stop taking  
the world on your shoulders.)

Stop taking the world on... (Stop taking the world on...)  
Taking the world on. (Taking the world on.)

Hoo-oooooooo-o-o-oooooooo  
Hoo-oooooooo-o-o-oooooooo (Hoo-oooooooo-o-o-oooooooo)  
Hoo-oooooooo-o-oooo (Hoo-oooooooo-o-oooo)  
Hoo-oooooooo-o-o-oooooooo... (Hoo-oooooooo-o-o-oooooooo...)

I let the past stay in the past,  
All full of scars, bars,  
girls, and ropeburns.  
And you will go on.  
And you will be strong.

I'm sick and tired of it all! (I'm sick and tired of it all.)  
Sometimes you grow; sometimes you fall. (Sometimes  
you grow, sometimes you fall.)  
Stop taking the world on your shoulders. (Stop taking  
the world on your shoulders.)  
Stop taking the world on... (Stop taking the world on...)  
Taking the world on... (Taking the world on...)  
Taking the world on... (Taking the world on...)  
Taking the world on... (Taking the world on...)  
Taking the world on.
