LILY:

Come to my garden,  
Nestled in the hills.  
There I'll keep you safe beside me.

Come to my garden.  
Rest there in my arms.  
There I'll see you  
Safely grown and on your way.

Stay there in the garden,  
Where love grows free and wild.  
Come to my garden.  
Come, sweet child.

COLIN:

Lift me up and lead me to the garden,  
Where life begins anew.  
Where I'll find you,  
And I'll find you love me too.

LILY:

Lift me up and lead me to the garden Come to my  
garden,  
Where life begins anew Rest there in my arms.  
Where I'll tell you, There I'll  
where I'll show you See you safely grown  
A new life, I will live for you. And on your way.

I shall see you in the garden, I shall see you in my  
garden,  
Where spring will come and stay. Where love grows  
free and wild.  
Lift me up and lead me to the garden. Come to my  
garden,  
Come, sweet day! Come, sweet day!
