I need a place where I can go,  
Where I can whisper what I know,  
Where I can whisper who I like  
And where I go to see them.

I need a place where I can hide,  
Where no one sees my life inside,  
Where I can make my plans, and write them down  
So I can read them.

A place where I can bid my heart be still  
And it will mind me.  
A place where I can go when I am lost,  
And there I'll find me.

I need a place to spend the day,  
Where no one says to go or stay,  
Where I can take my pen and draw  
The girl I mean to be.
