Verse 1

Mabye its the way,
i should of turned my head and nicely said
"No, i wanna show you just how much he means to me"
Mabye its the way, he said he saved himself from all
that heartache... when all along he was wrong and
heart
ache was the one that saved him...
Da da da da....

Chorus

He'll never admit, that his eyes just lit up and everytime
i get up,
I'll never admit that he's the one i want to be with...
one i want to be with... forever

Verse 2

Mabye its in his car the way we talk ourselves up not
to get very far. Cause we're makin up to make out,
and we're breaking up just to break down, break
down....
Da Da Da Da

Chorus

He'll never admit, that his eyes just lit up and everytime
i get up, ill never admit that he's the one i want
to be with... one i want to be with... forever

Bridge

And i wont get up... until i see the sun.
And the sun is on you're sleeve its you're sleeve...
where i see the sun.

Chorus

He'll never admit, that his eyes just lit up and everytime
i get up,
I'll never admit that he's the one i want to be with...
one i want to be with... forever
