Charlie was a dancer  
At ten years old,  
Charlie was a dancer  
In his dreams

He loved to watch old movies  
With his mother there,  
He loved to watch old movies  
With Fred Astaire

Dance, Charlie, Dance,  
You might never get the chance,  
Dance, Charlie, Dance,  
In your dreams  
Charlies fourteenth birthday  
Would have been today  
His mother sits alone and you can hear her say  
And you can hear her say

Dance, Charlie, Dance,  
You might never get the chance,  
Dance, Charlie, Dance,  
In your dreams
